Since over 15 years, S.H.A.R.P. has empowered numerous clients by providing full service personal shopping and fashion styling solutions. Perfection is not just a part of our name—it is our passion, our guiding principle. It is no surprise that a variety of clients, from individuals to large corporations, trust us as a one-stop destination for their personal shopping and styling needs.

Personal Shopping

From wardrobe and grocery shopping to group shopping tours to large-scale corporate gift buying, whether you need a personal shopper as a **time-saving ally, a shopping buddy, an expert, or a [cost-saving] professional, we can customize our services to compliment your goals and budget.**

By leveraging the experience we have gained from working with hundreds of customers and our negotiation power and relationships, we can not only shop professionally, **we can actually save you money.** Our reach goes far beyond traditional channels and geographic limitations to include national and international department stores, Internet, catalogs, specialty stores, and much more.

Gift Shopping

Want to give a great gift that will take your personal or business relationship to the next level? Designed for all occasions and events, our gift shopping services will ensure your gifts will be treasured for a lifetime. Want more? Sign up for our **free reminder service** and we will remind you about the "special day" well ahead of time.

Style and Image Consulting ... When Impressions Count

World-class services at affordable prices

Our comprehensive suite of **styling solutions includes makeovers, image consulting, wardrobe planning, designing, individual styling, and more.** As designers and fashion stylists for men, women, and children, we at S.H.A.R.P. believe fashion is a form of expression, not imitation. We help our clients express themselves by creating unforgettable style solutions that fit each individual's unique personality and taste. Many clients come back to tell us how they feel empowered, sophisticated, and attractive as a result of the new look and fit we created for them.

Embracing fashion, style, and elegance let S.H.A.R.P. be your guide

Whether to establish your own signature style or to make a lasting first impression at a job interview, a sought-after date, or a business meeting, we can help you gain confidence and make an impact with our breathtaking designs.

Easy Three-Step Process

1. An initial phone consultation and a simple questionnaire kick starts the relationship.
2. We follow-up with a second consultation, where we offer suggestions, outline a plan, and provide cost estimates.
3. We start working!
