Efficient Hire

Efficient. Effortless. Accurate. EASY!

Start-to-finish, Web-based *on-boarding solution* saves staffing firms countless hours and thousands of dollars. No redundant forms. No paperwork!

From helping employees with paperwork to answering questions to managing compliance requirements and updates, staffing firms waste thousands of man-hours every year.

On-boarding is, unquestionably, the most critical stage of employee enrollment, both for new hires as well as for staffing firms and employers. Hiring entities face an *enormous* burden throughout the process, from ensuring deduction accuracy on W-4 forms to integrating and maintaining direct deposit and benefits information. Furthermore, simple yet avoidable mistakes cost thousands of dollars in regulatory penalties.

If you are tired of wasting valuable resources and chasing paperwork, we have the perfect solution.

How does wasted time impact staffing firms? In addition to opportunity costs, there is an adverse impact on both client satisfaction and retention. Fortunately, change is just a phone call away. With Efficient Hire, the entire process of paperwork completion, maintenance, and storage and reporting can be seamlessly automated. **Efficient Hire automates employee enrollment, so you can take care of your clients.**

> *"What used to be a daunting process collecting accurate and legible new-hire paperwork from new employees, has been streamlined thanks to Efficient Hire's technology." —Matt Richards, Director of Operations, Advanstaff, Inc.`*

There's a reason why staffing firms and employees unequivocally endorse us: Efficient Hire is a complete, easy-to-use solution for complex on-boarding needs.

Much like automated tax preparation software, Efficient Hire's intuitive and customizable online interview module asks employees a few simple questions to determine form requirements. Efficient Hire goes a step beyond and hand-holds and guides new hires through the entire process, step-by-step.
